INTRODUCTION

Welcome to the ROLE Model Charity Gala Dinner supporting the R.O.L.E. Foundation programs.

This event brings together leaders, executives, philanthropists, and advocates for both women's empowerment and environmental sustainability. Together, we'll raise funds to educate and empower marginalized women in Indonesia while supporting efforts to protect and sustain our environment.

Your attendance will help empower women through the **Bali WISE** program and support our environmental sustainability efforts with the **ZeroWaste Center**, making a lasting impact on their future and the planet.

Join us for an elegant evening filled with entertainment and impact!

Dress in your finest masquerade attire, and don't forget, there's an award for the best costume! Your presence and support will make a difference.

Millions of Indonesian women face a harsh reality: poverty and limited opportunities.

Bali WISE is a beacon of hope, offering a FREE, six-month skills education program to marginalized women. This isn't just charity, it's transformation.

Through intensive training in English, IT, hospitality, digital marketing, and life skills, Bali WISE equips women to secure jobs, break the cycle of poverty, and build a brighter future.

At the same time, the **ZeroWaste Center** plays a crucial role in environmental sustainability. By focusing on effective waste management and raising environmental issues awareness, the Center addresses the pressing issue of pollution and promotes sustainable practices that benefit the entire community.

This fundraising dinner isn't just a meal, it's an investment in empowerment, environmental stewardship, and a thriving, sustainable future for all.
